

## Thumbnail Images:

One:

- The protagonist will be in the foreground and buildings will be in the background, they will most likely be shot separately and then edited together.
- The protagonist will be facing sideways, using a camera (on a tripod)
- Umbrellas will be floating through the air (edited in post) to symbolise the fantastical elements of the film

## **The Shoot:**

### People:

- Protagonist - woman
- Helper - Ethan (and Kathryn)

### Place:

- Worthing: buildings
- Wall or in front of the buildings - protagonist

### Props

- Camera and tripod

### Umbrellas:

- Take photos separately, then edit onto the image
- Take photos from different angles
- Edit different colours

Two:

- Taken in a park to contrast the city setting
- Bright sun to fit in with the joyful musical genre, edit in post
- The protagonist and the love interest will be in the picture
- They could be facing each other, holding an umbrella together which is touching the floor (like a walking stick) or holding hands and leaning apart, each holding an umbrella in the air (as if mid-dance sequence)

**The Shoot:**

**People:**

- Protagonist
- Love interest

**Place:**

- Beach House park

**Props:**

- Two umbrellas

Three:

- Landscape
- Photograph building separate to the ground then edit together with the building leaning to the side to emphasise the fantastical elements in the film.
- Main antagonist in photograph (long shot) wearing red and black

**The Shoot:**

**People:**

- **Antagonist**

**Place:**

- **Local park and antagonist (grass)**
- **Worthing (building)**

DVD MAIN IMAGE: FRONT:

- Featuring the protagonist and the love interest (on either side - unlike image)

- The protagonist hold the camera like an umbrella
- The love interest holds an umbrella
- Lots of colour
- Stars and critics
- Cast names, title, director

**DVD BACK COVER: MAIN IMAGE:**

- Space with the two main characters there - fantastical elements
- Edit colour onto the image
